

## LEARNER ENROLMENT

Joining our school is simple and straightforward.

- Step 1:** Complete the registration form
- Step 2:** Submit the required documents
- Step 3:** Make payment to confirm your enrolment

Once enrolled, students gain access to:

- Our online learning platform
- Comprehensive study resources
- Timetables and schedules
- An orientation session to help you settle in.

Registration is confirmed upon submission of the registration form and full payment of fees.

## ORIENTATION

An online and In-person open day will be conducted. Orientation Day helps students and parents get familiar with our platform, meet teachers, and understand expectations. It ensures learners start confident, prepared, and connected to our school community.

## HOW WE WILL CONDUCT OUR EXAMS /ASSESSMENTS.

For all our assessments to be done under examination conditions the following steps will be taken:

### Pre- Assessment Planning

- Schedule the assessments/ examinations in advance and communicate the date/time to students, parents and educators
- Check if all students have access to the required platform and devices.

### Technical Checks.

- Testing webcams, internet stability, enables features on the system that are needed for assessments.
- Prepare backup communication channel in case of technical challenges

### During Assessment

- Online invigilation system to invigilate learners as they do the assessment.
- Maintain attendance and login records.
- Have an IT specialists on standby for any challenges.
- Ensure the time limits are adhered to.

### Post- Assessment

- Document all incidents of technical issues, cheating or any rule violation.
- Collect all assessments
- Store the assessments for marking
